482. To receive Declarations of Interests by members and applications for Dispensation by the Council

Members are requested to make any declarations of personal or prejudicial interests, in line with the 2020 code of conduct, relating to items on this agenda.

483. Approval of minutes from previous meetings

The distributed and published minutes from the previous meeting(s) of the parish council.

484. Public participation session (Members of the public are invited to address the council)

Whilst parish council meetings are open to the public, contributions are limited by standing orders to allow only invited/scheduled guests or councillors to contribute. However, there is a section in each meeting when the Chairman suspends standing orders to hear any members of the public who wish to address the parish council.

Members of the public should address their representation through the Chairman of the meeting. This time is limited to 15 minutes and three minutes per contribution unless requested otherwise by the Chairman and/or councillors. This is in line with Standing Orders of 2020. Standing Orders will then be reinstated to allow the Council to resume its meeting and discussion items.

Rebecca Grant – Major Projects Officer/Development Management.

- Harpole PC our joint working parish are discussing on the 7th May 2024

493. Proposal to adopt a Communications Strategy Document

- Cllr Watts to circulate the Communications Strategy Plan with Actions.

493. Proposal to confirm the design and costs to purchase the “Hazel Bridge”

Bridge to be situated over the Jubilee Wildlife Garden swale

- Our Classica or Rustic would be the preferable choice as they are the strongest and most popular for bridges of this size.
- The cost for either of the above styles in a 4.5mx1.2m with a 1m handrail height would be £2250.00 in treated softwood (Redwood) as standard.
- Hardwood would be roughly £5000.00

494. Review the Action Tracker

Appendix A

West Northamptonshire Council (WNC) lead in managing local flood risks, this includes risks of flooding from surface water, groundwater and ordinary (smaller) watercourses.

Under the Flood and Water Management Act 2010, WNC is required to develop, apply, and monitor a Local Flood Risk Management Strategy which sets out how it intends to manage floods and the effect of flooding on our area. The Strategy will focus on local flood risk from surface water, groundwater, and watercourses including rivers, streams and brooks, culverts and ditches and sets out the way the Council manage flood risks for the next six years.

People across West Northamptonshire are being invited to share their views during this non-statutory consultation which will help shape the Local Flood Risk Management Strategy during the early stages of its development.

This is a consultation on the draft strategic objectives for the Local Flood Risk Management Strategy. It is open for people to share their views from Monday 8 April to Sunday 16 June. To view the draft strategic objectives and provide your feedback visit: <https://westnorthants.citizenspace.com/cet/local-flood-risk-management-strategy>

Cllr Pinder Chauhan, Assistant Cabinet Member for Flooding at WNC, said: “Flood risk is changing as changes in our climate contribute towards increased rainfall. In addition, pressures such as population growth and new development across the area means we must adapt to future flood risks. Planning to manage flood risk is more important than ever and the Strategy seeks to consider local issues, including environmental and planning challenges to ensure we’re able to strategically manage flood risk across the area.

“In order for us to shape the Strategy we would like to understand the public’s main issues and concerns in relation to flooding across West Northamptonshire to ensure we are focusing on the right themes to manage flood risk in the future. I would also encourage everyone to review the draft strategic objectives and have their say as part of the consultation.”

WNC’s current Northamptonshire Strategy requires updating as a result of environmental and governmental changes, in addition to West Northamptonshire Council now operating as a unitary body. The feedback collated from the consultation will help to shape the Strategy during the early stages of its development. A statutory public consultation will take place once the draft Strategy has been developed, which will give you another opportunity to have your say. The Strategy will then be presented to cabinet for consideration and adoption.
